Mandy L Pless

NOV 20, 1977 - APR 13, 2026

Born on November 20, 1977, in Monongahela, Pennsylvania, Mandy was raised in Minot, North Dakota, where she graduated from Minot High School in 1997. During her childhood, she was actively involved in the Mouse River Players community theater, where her creativity and love for the arts began to shine.

In 2003, Mandy married the love of her life, Brad Pless. Together they built a beautiful life in North Ridgeville, Ohio, where Mandy worked as a paraprofessional at North Ridgeville High Tech Academy where she poured her heart into helping others. She had a natural gift for connecting with people and made a lasting difference in the lives of students and colleagues alike.

More than anything, Amanda was a devoted and loving mother. Her world revolved around her two beautiful daughters, Mackenzie and Alex, who were her greatest pride, her purpose, and the center of her heart.

She is survived by her beloved husband, Brad; her daughters, Mackenzie and Alex; her parents, Dave and Lee Popp of Pennsylvania; her in-laws, Rodney and Deborah Pless of Alabama; her brother, Rob Nuzzo (Farrah) of Pennsylvania; her sister-in-law, Kelsey Sims (Jason) of Alabama; and several nieces and nephews who loved her dearly.

Mandy will be remembered as a true force. She was full of life, love, and unmistakable personality. She lived in what could only be described as “organized chaos,” always creating, always giving, always moving forward. She loved more deeply than most and showed that love in everything she did. Whether she was bedazzling a dance costume, trying something new, laughing with friends, or striking up a conversation with someone she had just met, Mandy made people feel seen, welcomed, and valued.

She was beautifully quirky, endlessly kind, and always the one ready to help anyone who needed it. She found joy in the little things and made memories everywhere she went, often capturing them like a tourist, never wanting to miss a single moment.

NOV 20, 1977 - APR 13, 2026

Mandy's strength, especially throughout her long fight, was nothing short of extraordinary. But even more powerful was her love...the kind that stays with you, shapes you, and never fades.

She fought with strength, lived with purpose, and loved in a way that will never be forgotten. That love does not end here. It lives on in every life she touched, every memory she created, and most of all, in her daughters, who carry her heart forward.

Friends may call at Bogner Family Funeral Home, 36625 Center Ridge Rd., North Ridgeville, on Friday, April 17, from 5-7 PM. A memorial service will be held for Mandy at 7 PM at the funeral home.

In lieu of flowers, memorial contributions may be made to the Colorectal Cancer Alliance at <https://colorectalcancer.org/>

For years Mandy and I talked every Fri or Sat night while our husbands (who grew up together) worked. It was never a short phone call but 2-3 hours minimum with a million different topics. We helped each other through so many different circumstances in our lives at that time and I cherish every memory. My heart is so heavy but I'm so grateful to have known and loved her. I'm thankful she's not suffering. Our prayers and love are with you guys, Brad.

Mandy or as we knew her "Mama Mandy" was definitely a character. Not a shy person, photogenic and a great in person communicator. She was hip to current events and trends. She always made you feel valued. During her treatments, I'd often send her funny tiktoks to let the time pass. One topic that came up was her knowing how to drive manual transmission, which she did in fact show me she could. She had a contagious laugh which I could still hear. Whether it was game nights, watching dance recitals, comedy show, concerts, dinners ect, she was just an absolute fun person to be around. She will forever be missed and never forgotten..

I will always remember how kind and nice she was. I have a couple memories of Coach Pless. One is, whenever I had a dance competition she would always ask right away "how did it go?" Another is whenever I used to leave my sweatshirt around at school she would say "Olivia, I know this is yours... stop leaving your sweatshirts around." I will miss her, her encouragement, kindness and her sweatshirt reminders! ❤️

Mandy and I met through our daughters love of dance, we were instant friends and became more like sisters. We were so much alike that we could understand each other when it seemed no one else did. I love her girls like they are my own and she loved my daughter the same. Her love and joy were contagious, even on my worst days she could always make me laugh. You will always hold a special place in my heart and you will forever be missed. I love you sister ❤️

Mandy always taught me to lead with my heart and put love into everything that I do. She always helped me believe in myself and kept me going when I felt I couldn't anymore. I'm so lucky to have called her my second mom and have her daughters be the sisters I never had. She will always have such an impact on my life and many others. I love you always momma, thank you for all that you did for me and for giving me my best friend, everything I'll do is for you. ❤️
