One of our favorite memories of Bernard are the stories he would tell for his bus driving days. It was very obvious how much he enjoyed his job which allowed him to meet a lot of people and to travel to a lot of places. We will always treasure the times we spent with him.

Papo we will miss you very much! I will always remember our roadtrips to the Amish Country and we would always play "I'm Thinking of an Animal" with you and Nanny. We are very grateful that you would help us plant gardens out back. We always loved looking for deer out back with you. Hunter and I loved listening to your "hillbilly" music on our roadtrips in the van.We will always love you Papo. And think of you every single day.
