Betty,I love you dearly and will forever be grateful for your kindness and generosity during Patty's (my late wife) battle with breast cancer. All your loving acts to help us through this time of need made us stronger and has never been forgotten. Patty and I really enjoyed all the yummy meals you prepared for us. You had a special way of lifting my spirits with your soothing way, giving me hope when hope was lost, and a comforting shoulder to lean on when I needed it most.I will never forget our time together as friends and neighbors. Your smile is etched in my heart forever. You will truly be missed and will always be in my thoughts and prayers.Love Bruce.
