Thank you so much for so many loving memories Uncle Frank. My memories of growing up close to you and Auntie have made an impact in my life forever. You will forever be in my heart with Auntie. May you be up in heaven with Auntie and Dawn and playing all the casino slots in the sky!!! To my cousins, You know I love you and will forever be here for you when and if you ever need me. Family forever is what I say, and though we lose those who have made us a family, we stick together through everything life gives us. You all mean so much to me. Hugs and Love forever!!! Jen(CUZ)
