I, too, have great memories of Uncle Tod's annual summer visits to Cleveland and the adventures he took us on traveling. I got to experience as well his later years where he charmed the staff at Normandy Manor with his persistence but also gentle kindness. As we take you east to New York for your service there will be many more memories shared. Rest in Peace.

I have many fond memories of Tod. In fact, I think one of my first memories of Tod was at the New York World's Fair in '65 I think, on the ride, 'It's a Small World'. As a child, he brought my sister, Gina, and myself to Montreal. We stayed at the Queen Elizabeth and we traveled on a train in a sleeper car. He treated us so special. He also brought us to Florida and we always had fun with him. When he visited us in Cleveland, he would bring one of the first video games with him, Atari's Pong. He was always giving and concerned for others. We will miss you Tod but glad you are at peace! We love you, Katie

I worked with Mr. Hunt at St. John's for 2 years before he retired and saw him for many years afterward until he moved out of state. We shared an office and he had many things to share, many stories to tell and much advice for a new professional. He was nothing but kind and concerned for me and my young family. I will always remember him fondly! My prayers to his family at this time of loss.
