I am writing on behalf of my 96 year old mother, Esther Freeman,who can no longer see. She and Jennie were dear friends for many years--drove school busses for Olmsted Falls at the same time. As recently as early December Jennie called to ask about Mother, who now lives in a personal care home. What with blindness and shaky hands, the ladies had not actually communicated recently, but I know their friendship was dear to them both. What a treasure that is! My condolences on your loss.

Hi Ellen and family, so sorry to hear about your mom. To me she will always be a part of Olmsted Falls/Township. I have so many good memories of your mom, most of them have to do with playing Pounce, eating spaghetti on Christmas and celebrating New Year's with the banging of pots and pans. She was an amazing lady and heaven is surely rejoicing at the arrival of this saint! My prayers are with you. Love, Lynn

Our deepest sympathy to Laura, David, Amy, Ellen and family. She was a great lady. I remember all the birthday parties for Amy & David ... Jennie was just the life of the party. She could make you laugh till you cried. She had a wit about her that was just hilarious. I will always cherish those memories. God Bless, Lori
