Just read about John's passing in the local Sun newspaper. Have many good memories as a child of McVeigh family picnics with John and Millie. I think the last time I saw John was at Wilma McVeigh's funeral. Millie - may wonderful memories of your life with John and the support of your children help you during this difficult time. "When you lose a loved one, you gain an angel whose name you know!" John and I would talk together when the residents in Porter Pavillion, Avon Oaks, had their lunch. Lunch was with his wife Millie and my mother, Julia. John would tell those jokes with such a straight face you never knew when it was a story or a joke! I enjoyed his company. Eternal rest grant unto him O Lord, and let perpetual light shine on him.

Our sincere condolences to the Demyan Family at this time of your passing. I can remember the few times we hunted together while I was dating your daughter Jean many years ago, and your fondness for the out-doors reflected in your love of the "farm" near Millersburg. I am sure you will be missed by the many folks you have met throughout your life; may God Bless you. Rick and Jackie Rivera Oberlin, Ohio
