Dear Wensing Family, I just wanted to offer my sincere condolences for your loss. Although this is a difficult time may you find solace and peace in the loving arms of family and friends. I too recently lost someone I held dear and what I found to be comforting were the promises found at John 5:28,29 about the resurrection and Rev. 21:4 where God promises to do away with all the things that cause us suffering and pain including death forever. It is my sincere hope that these thoughts bring your family comfort as well. Laura
