Dr. Lino Tiberi, "Leo" (to close friends and family) 90, of Columbia Station, OH, formerly of Vero Beach, FL, passed away on Sunday, May 1st, 2011. Born in Introdacqua, Italy, son of the late Joseph C. and Adele Paolina (Guglielmi) Tiberi.

After immigrating to the United States at the age of seven, he spent his childhood on Federal Hill, in the Italian neighborhood of Providence, RI. He was the oldest of three children.

After graduating from Central High School in 1939, he attended Providence College on a football scholarship. During this time he also attended night school at Rhode Island School of Design, where he studied drawing and illustration. He graduated from Providence College in 1943, and went on to enroll in Tufts Dental School, Boston, MA, on a scholarship.

In 1946 he married Melba F. DiCenso of Providence, RI. He served in the United States Army during World War II and the Korean War. Following this, he started a private dental practice in Attleboro, MA. He was a very giving man who not only provided very well for his family, but was also very generous to his extended family and friends.

In addition to his work and his family, Lino also valued community service. He was a dedicated member of the Attleboro Kwanis club with perfect attendance. Aside from the work he did in his practice, he also volunteered his time as a dentist in the Attleboro school system and volunteered his dental services, with two of his daughters, to an small community in Lima, Peru for three months. In keeping with this desire to serve the public, he set up scholarship funds at both Providence College and Tufts Dental School.

To Paula and all the girls: I was so sorry to hear of your dear father's death. I find it wonderfully ironic that our daughter named our first grandchild LEO! (born on May 12th.) So, he will always be near to me in spirit. We always had such fun times when we were in college and, luckily, I got to see him again at Paula's Birthday Bash in New York. God bless you all, Mary Ann
