Russ was my favorite bagger when I worked at Rini Rego's in Westlake. He was very funny. One of my favorite memories of him was when a lady came through my line with a HUGE bag of peanuts. Russ held them up and, with a completely straight face, said to the lady, "Do you have an elephant at home, ma'am?" I'm so sorry to the family for your loss. I just thought you might appreciate the memory.

Russ, I had a hard time today without you. I think about you every day, but for some reason, today was really bad. I will love you forever. You changed my outlook on things when nobody else could. I wish you were here to see the difference. Whenever I drive past your parents' house I always put out my hand to your Mom and send her my strength. I have no idea how she faces life without you. My prayers are with your family every day. Thank you for everything you did for me.

Prayers from the Lanser family are with the you. Rus was a childhood friend of mine. I had not seen him in many years but it doesnt soften the heartbreak when you see something like this. We had some great times on the football field together. Although we were on rival teams we always found eachother after the game to hang out. I remember being at the corn festival with Rus when we were kids and after we consumed as much junk food as possible, we decided to go on a spinny ride and I got so sick and was so embarrassed, but somehow Rus was able to make me laugh. Rest in peace Rus. You will be missed.

russ was a great kid. i met him when i first moved to avon to stay with my parents back in 97' he was 2 years younger than me and full of spunk and laughter:) we had many memories that summer...most predominant one i have is when we were at a party and avon pd came cuz someone thru a m-80 or 100(idk) but i was like i was 18 and not running he was news flash im 16 and we all are:0 ...and then socked me like a line backer over his shoulder and ran for cover...lol..and almost dumped me face first in a manuer ditch by the barn...lol...over at belinda's. and of course a few with tom gallagher(butter)...we held contact for a few years...then lost contact. he truely made me comfortable being a new comer to the area. this news i obtained from my little brother jonathon....and i find it completely heartbreaking and shocking. my sympathy goes out to his family and all his loved ones. he was a very "touch your life" kind of guy. he will be very missed. this is just a complete shame that god wanted him to come home before he really had a chance to fully live the life expected by all. my deepest sympathy to his parents and all his loved ones. :(cassiemarie callahan-gibson
