Dear Chris, Jen and Rob, I am so sorry for the loss of your mother so unexpectedly. I only met her once or twice, but she was lovely. I wish there was more I could say or do to help you in this difficult time. I am sure your mother has plenty of company in heaven, including your Dad.....but I am sure that Sue is keeping her laughing as well - we can only hope that it isn't at all of us. Know that you are all in our thoughts and prayers. Keep your memories close and take comfort knowing that she is in good hands and watching out for you all.

Christine, Jennifer and family all of us at Green Valley Seed send our condolences for the passing of your mom. I did not realize she is so young. We had lost contact after she sold the sod farm. We hope she did not suffer. I do not know if you knew Cecil passed away about a year ago. I am glad you put your moms tribute in the vindicator. Best wishes to all of you. Aunty Dorothy will be truly missed. I have so many fond memories that I find it hard to choose just one. My best memories are of the times she would come to Scotland when we would have family barbeques and spend time together as a family. She was always up for a good debate. I feel truly blessed to have had a conversation on the phone with her not that long ago to talk about family pictures that she had. She will always be in my heart. All our love and prayers to you Chris, Jen and Rob.

Dear Chris, Jen and Rob Please accept my sincere condolences as you deal with such a difficult loss. I only met your mother once and it was an engaging and delightful experience. I know my sister Sue adored your mom and that tells me all I need to know about what a wonderful human being she was. That, and the quality of the daughters she raised, says it all. I hope you find peace and comfort knowing that your parents are together again. I'm sending lots of healing thoughts your way. Love, Eileen Daugherty
