Charlie, Chris and family, Sorry to hear about Leona's passing, I just happened to be on the site looking at some old memories of Grandpa Bee's service and saw her name in the current obituaries. I remember her well, living down the street from us (when we lived on Main Ave, before moving to West Virginia), I delivered papers there years ago. We lost Dad, (Pal) in 2005, right after Grandpa. Thinking of you all. Vicki Chapman Griffy

To say Leona was just a friend is simply an understatement, she was a family member to all of us here in Florida and she is sincerely missed. I have known her my entire life and she was like a grandmother to me and a great grandma to my son who misses her dearly as well. I have many great memories, girls vacations with the hot tub and kalua, many times at the beach, and holidays was very special to her as well. Although she was fun loving and care free, I have never seen her look as peaceful as she did when we said goodbye to her in FL, Angelic even. She was one of the family. With all of my love, forever rest in peace.

I am so sorry for your loss, Leona was like a second mom to me. She was a true friend to my family. Mom and her use to garage sale all the time. She was so dear to me growing up, she took good care of me when I was little and hurt. She will sadly be missed, but I know that her, Charlie, Mom and Dad are all in Heaven and they are having a ball like they use to. Leona, may you now rest in peace.

Leona was so much more then a mother in law to me. She was my second Mom. She loved her children and her grandchildren unconditionally. She touched every persons life that she came in contact with. No matter how tough things got in her life it didn't affect her drive, she loved the ocean and the beach, walking for hours to collect seashells or sharks teeth. Leona was a wonderfull, caring person and she will be missed and will always be in my thoughts and heart.Love you Leona (Memaw)
