Our family has lost a wonderful wife, mother, grandma, sister and aunt - but her generous spirit and love of life will never be forgotten.She was the warmest and most thoughtful person I have ever known and the girls and I will always treasure the memories of the many Thanksgiving and Easter dinners that she made specialI am sorry for the illness and suffering she endured in her last years, but hope you will be comforted that she is now at peace. She fought the good fight and can now rest. May all your precious memories of happy times sustain you in the days ahead, and take comfort in knowing that we were lucky to have had her on this earth. She will always be missed.Take care and bless you all,Love, Pud
