To All of the Fedorko Family, You don't know me, but in the early ninties, when Richard was at Amweld, I was a secretary for a subcontractor that had daily phone calls with him. Since I was the person answering the phone, I was talking with Richard almost everyday. Had it not been for his sweet and calm manner and genuine compassion, I would never been able to handle my job. My boss was a tyrant, and avoided many bill collectors, which left them for me to deal with. Richard was one of those collectors, and we became phone friends. I honestly can say that he saved me and my job many times, just by listening and giving caring advice. He was a blessing in my life over those 2 and 1/2 years and I am truly sorry for your loss. You all were so lucky to have had him in your life on a daily basis. God Bless you all and may your pain go easy. Many prayers and love, Michele Berlant

Cristy and Family, I'm so very sorry about your loss. Having just lost my mom a month ago, I can so understand the emotions you must be going through. You are in my constant thoughts and prayers. I'm so disappointed that I cannot make the service, as it is at the same time as Ella's birthday party. Please know my thoughts and prayers will be with you throughout the memorial, as well as weeks to come. I am here to talk to, help with the kids, cook, clean, or simply listen. Don't hesitate to call not only now, but in the weeks and months ahead when you simply need a friend. Love, Shannon
