May you find the courage to face tomorrow in the love that surrounds you today. At this time of sorrow may these truths sustain you.....your loved one will always be as close as a memory and the God of all comfort is always as close as a prayer. It will be the little things that you will remember the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memory of these little things that help to push away the pain and bring the smiles back again. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5
