Dear Crozier Family, I met your Dad many yrs. ago when I worked at EMH- he would come to the Oscopy depart. on sat. to take our specimens to the Lab. He noticed my name and found out he was a cousin of my father-in-law, Ray Boggs. He was so sweet and always had a good word to say. Our deepest sympathy to you. Judy / jim boggs

Dear Crozier Family, I would like to send you my deepest sympathies on the death of your Father. He was one of my tutors at Franklin Elementary School and he was a joy. He so often spoke of all of you. I so enjoyed his quick wit, he would have me in stitches most of the time. I'll always remember preparing his "special elixir", hot water for him when he came to tutor. I'd always ask if he wanted a tea bag or coffee to put in it and he would always say "I want my elixir straight up" The kids enjoyed him coming in as much as me. You are all in my prayers. Sincerely, Jean Machovina

Dear Crozier Family, Your mom and dad were such great friends of my mom and dad, Harry and Verna Wysocki. My dad worked at Ridge Tool with your dad. I would take my parents over to see your mom and dad after my dad had his stroke and the visits were always wonderful. After your mom passed away and my dad passed away, Don would call and check on my mom to make sure she was OK. I am so sorry for your loss, but I am so glad I got to know your family.
