Norm and Family, Nothing can truly prepare someone for the loss of their wife or mother. And it makes any expression of sympathy I can put together here sound a bit hollow. Rather I'd like to remember the many wonderful times I shared with you and your family over the years. And I want you to know just how much that meant to me and how often I still think of them. You're wonderful people that have a very special place in my heart. God Bless You All. Ron, Rox, Ryan and Kelly North Herndon, Virginia
