Arlene, Even though I never met your MOM, and I just met you a couple of months ago, MOMs are special to all of us and that bond can not be broken even in death. In your memories of her will keep her alive for you and all who did know her. My parents passed away many years ago but I keep them in my heart as I know you keep your Dad and now your MOM will join him. Take Care in the coming days and rejoice in the knowledge that they are at peace and with Jesus.
