Audrey - I just got a letter and Christmas card from Sharon and she enclosed Denny's obituary - I am so very sorry for your loss. I lost my 2nd husband 4 years ago so I know what you are going through. Please contact me by e-mail and I will give you my phone number. I'm still so blown away by this. It seems like yesterday that we were all in college together. I still have this mental image of you and Denny sitting next to one another and Denny was all slouched down in his chair like he use to do and you were leaning over talking to him. It's still so easy to remember all the fun we all had together that year - he will be sorely missed I am sure from reading all the other on-line condolences.

Dear Audrey, Danny and Suzanne, I am so sorry to hear about Denny. I will always remember what a great go-to person he was when I had a problem with Harvey or could not remember a 'record number'. Denny was a great boss with a wonderful sense of humor. I'm sitting here at the computer smiling to myself and thinking of some of the fun times that we had as a staff working at PIKS and Gemini. I'm willing to bet that he and Harvey are enjoying a beer and a vodka and tonic right now! God bless them and God bless you and the family. May your days be filled with the wonderful memories of the time you were able to spend together. Karen - Harvey Korman's secretary.

Audrey, Dan and Sue:What a guy he was, so much fun to be around and always giving me the business about one thing of another. I could always depend on him giving me a beer when I walked across the street to visit. Keep the beers cold Audrey. If you need me just call. Denny will be missed by all of us in the neighborhood but we will keep having our pourch parties and toasting him from time to time. Love to all. Nita

I've known Denny for a very long time. I consider him a good friend. Over the years, we've done a lot of golfing and drank our fair share of beer along the way. At all times, Denny was always cheerful and upbeat. He carried that upbeat attitude even after he found out he was sick. His positive attitude throughout this ordeal was truly an inspiration for all who came in contact. It was only a week ago that we talked. He still maintained that upbeat attitude and told me how much he was looking forward to golf next year and getting together with the guys for the annual mid-winter get together. Denny was our league president and I will be forever thankful for his help and encouragement to me as we went about the business concerning the league. Life of course will go on, but I feel as though we've lost a very kind and helpful person. I, along with the other members of the golf league will miss Denny a great deal. I am going to propose that we bring back the end of the year outing in Dennis's memory as a small way to honor this man. Dave
