My deepest sympathy for your loss. I wish I would have known Bob was ill, my children and I have many great memories of Bob and would have liked closure with him. Monica is especially upset because she was only 3 when we got married and he was the only Dad she ever knew well. Kitty, Janice, Christine, Corky, and Luke, if you feel comfortable enough to email me I would appreciate the contact. jugazi@cox.net or my cell phone 216-470-3025. He was my first real love, may he rest in peaceful sleep.

Dear Linda, My heart and prayers go out to you and your family. Bob was one of my best friends and an inspiration in my sobriety. I loved him very much and I will always hold him in my heart. I am here for you now and always. Bob loved you and his children/grandchildren dearly and was grateful everyday to have you all in his life. God brought him into my life and I am grateful everyday for the gift of "Bob and his laughter". Thank you for bringing him such happiness. Kathy
