I just found out today that Tim passed away. My memories of Tim were from the late 70's and early 80's. I had a 1980 Jeep Renegade when Tim had his Jeep. We had some great times 4 wheeling all over North Ridgeville. He was a good guy back then and i'm sure he was a good man now.He will be missed.Rick Keffer Of North Ridgeville

May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss.... I have learned never to underestimate the healing power we all have. It is always there to be used for the highest good. Blessed are those who mourn, for they shall be comforted. (Matthew 5:4) May it be a source of inner strength to know that there's a loving God watching over you, and that, throughout this time of need, He'll stay close by your side. All those sleeping in their graves will wake up and sing for joy. As the sparkling dew refreshes the earth, so the Lord will revive those who have long been dead."-Isa. 26:19.

There is a saying, "life is short and we never have enough time for gladdening the hearts of those who travel the way with us". Tim did gladden the hearts of all who knew him. Please know how blessed you are to have had him in your life albeit too short, and know that everyone who met him knew how deeply he loved you. Our thoughts are with you.
