Sherri and Ron's family, I am sorry to hear for your loss. You don't know me but I met Ron during my short time with A.J.Wright. He was a very good man and i know he will be missed. He helped me through a very hard time in my life, and kept in touch with me regularly after we both left the company. He spoke very highly of you Sherri, when we would talk, and i just wanted your family to know that i thought of him as a mentor, and an inspiration to follow my dreams.

Ron, My deepest sympathy to you and your family on the death of your son. Just his name alone, Ronald, and the friendship of his father is more than enough to know he was a great person and one I wish I personally had the opportunity to know. I have four children of my own much like Ron and say this with confidence. The only consequence of the event I can assure you of is that his spirit will continue to live on here on earth and his soul will live forever in heaven until you can be united again. Sincerely, Your Friend and co-worker, Harry E. Smith

My deepest condolences on Ron's passing. As Ron's former General Manager at the North Olmsted, Best Buy, I had the pleasure of Ron's company as a co-worker and as a friend. Ron's attitude was always positive and fun-loving ? he always had fun while getting the job done. Ron's work ethic and role was instrumental in the success we had at Best Buy. My thoughts and prayers go out to all those that knew and loved Ron and especially to you, Ron Sr. I recall the several conversations we had at Best Buy regarding business, the economy and family but Ron was always at the center ? Ron was fortunate to have you as his father ? be strong! Guy Vance I'm so sorry to hear of Ron's passing. He certainly was a "character" that I'll never forget. I just loved the guy -- he'll be missed terribly by all who knew him. Our prayers are with the family. Diane
