Don, although we have never met, I have to share with you the impact your mother has made on my Daughter Abby. Sharon has been a part of Abby's life almost since the day she was born. Sharon and Janice have helped raise her into the type of person I myself would like to be. From the love and knowledge that Sharon has given my Daughter over the years, I know that a part of her will live on in Abby's heart and memories for years to come. My deepest sympathy to you and yours in this time of grief. Rob Baughman

Don- only God knows why your mother/my sister was called to Heaven at this young age. I will miss the phone calls reminding me to arrange a special time with you, Mary Ann, Brianna and Dustin during the Christmas season. The 2008 family reunion was not the same due to her illness. I will miss receiving my reminder calls regarding future family reunions. A great family reunion took place in heaven on August 5. Uncle David loves you.

When someone has lived with you for 19 years you form an unbreakable bond with them. Your mother was not only my sister but my very special friend and her passing has left a huge hole in my heart. I know this hole cannot compare in size to the gulf in your life, Donald, but please know that I am thinking about you and praying for you for the strength you will need in the next days. I love you

To Sharon's family, I am deeply saddened by Sharon's passing on to Heaven. She has been a great daycare provider and always had kind words for me and my family, especially Holly. Sharon has been a part of our lives for the last 7 1/2 years. She has watched over my daughter, Holly, ever since she was 8 weeks old; now she is almost 8 years old. Sharon has brought positive influences in Holly's life, for which I am very grateful. Sharon was truly a wonderful person. She was funny, witty and very kind to everyone. She will certainly be missed by all the kids at the daycare. I am truly sorry for your loss of a wonderful mother, grandmother, sister, aunt, cousin and friend. Sincerely, Ruth Ann Reed (Holly's mom)

Aunt Sharon moved in with my parents when I was a senior in high school. From then until her passing, she was an especially big part of my life. She had a great sense of humor- even when I pulled pranks on her. She loved to laugh. She loved my children as if they were her own grandchildren. She laughed when Andrew called her "Nini Noodle Yankee Doodle." I appreciate all of the things that she did for me and my family. She was a faithful babysitter- and never seemed to be put off when we asked her to watch the kids. She never missed a birthday party for them. The world is a lesser place without her.
