Ken, Tom, Mike- Linda is more than a gem. Your mom has lived resilience and strength in the face of life's challenges and her love, her compassion, and her joy will continue to bear witness of the beautiful heart that God has placed in her. We know that her heart lives on-you are all evidence of that. I am so grateful to have met and known her. Thank you for allowing me that. You're all on my mind and in my prayers. Love and blessings to your families for God's strength and peace through this tough journey. The hope we have is absolutely eternal, and NEVER disappoints, for in it, God has poured out His love in our hearts. May His love fill your hearts. I love you, Linda...till we meet again.
