To Julie & Family, I just wanted to say that I'm sorry to hear of the loss of your Grandma. I know you were hoping that she would get to see Ava. I am sure that she is watching Ava & Maya from above as you say! We are all praying for and thinking of you and your family. It is wonderful that you have good memories of your Grandma to pass on to your children!

Grandma - we love you and treasure the memories that you have left us with. You were always there for us growing up; I have so many pleasant memories of playing with you at your house. Maya loves her "Ga-Ga" and will certainly miss you as well. She talks about you often and loved her time playing with you as well. We will make sure Ava hears all about you too, I'm glad you got to see her pictures. I know you'll be watching over all of us, we love you and miss you. We're so thankful of all the time we had with you, and thankful you are with our Father in heaven. Rest peacefully Grandma.
