I am sorry to hear about the loss of your dear Father. He and Faye were such very good friends to me for so many years. I think about them all the time. I can't get around much because I am not in the best of health myself. I had my daughter look your dads name up for me on the internet and she came to this webpage. I would love to hear from Joe and Faye's children sometime. I hope you are all doing well. God Bless you all!! Evelyn ( The late Bob ) Knight
