This has come as a shock to me. Kathy and I were the best of friends that had lost touch when she move back home to Ohio from Baltimore. I can not believe she has gone on to be with the lord. We worked together as well as went out almost every weekend crabing or fishing we had so much fun. I have missed here since she left and never returned. I was just thinking of her today (3-13-13) with her birthday coming near. God bless mom and dad. I will never forget the carrot cake from scratch that you would make when I would come for visits. Wow. I love you Kathy. :-)

My sister and I met Kathy many years ago while she was working at bingo. She always took the time to sit and chit-chat with us. Everyone loved her and looked for her to show up. She kept a smile on her face and made us laugh continually. What a joy it was to know her and after all these years, she is still in our memories. God Bless You Kathy and your family. We pray that you have found peace. Pat and Loretta

What a loss, Kathy was always a bright spot in my day whenever I ran into her and Margie at Marc's or a Community Care event that we all were working at, or just as she was working around town. Kathy was never shy about sharing her thoughts and opinions and I will be forever grateful for having had the opportunity to meet her and have many great conversations. I will miss the chats. My heartfelt sympathy to Margie, as well as Mr and Mrs Whitten at their loss. God has picked another flower. I am sure she is sharing her thoughts and opinions with Him!!!!
