Aunt Sandy My deepest condolences to you, grandma just told me about Uncle Phil. It is unbelievable, it is devastating. I remember Uncle Phil when I came over your house at Thanksgiving when Mckenna was a baby. I keep thinking of Uncle Phil playing with Mckenna and blowing on her stomach, hearing her giggle then his mustache kept tickling her. They had so much fun playing on the floor. I remember Vince, Tiffany, and I always looked up to him when we were kids. We always had so much fun with him, he was always a joy to be around. Truly the happiest guy around. Sorry again for your loss. Vince and Tiffany also send their condolences I will see you this evening Aunt Sandy. Dawn, Vince, and Tiffany Skrzypek

Sandy & Ashley, We hope you take some comfort in knowing how many people cared for Phil. Words can't even express the pain & shock we felt when we heard the news of Phil's passing. We are away on vacation now and cannot be part of the services which makes the pain even worse. We are taking some time to think of all the fun times we had with you and Phil. It was quite an honor to be the best man at your wedding and also the 3 yr partnership I had with Phil @ Base 2. This is a great loss for EMS and the citizens of Cleveland and all who knew and loved him. Know that we are thinking of you and your family. Love from John & Dee McNamara

God bless you and yours and may he fill your heart with peace and Love as he did for my "Buddy" Phil.

Having known your loving husband for 25 years, I can honestly say he was a gem. He made some of the most long and boring night shifts at the RED Center tolerable by his fun loving nature. We would play a hand held electronic football game until we drove our co-workers crazy from the constant beeping sounds of the game. Of course, if our co-workers would fall asleep, Phil would happily paint their fingernails with white-out. Thank you, Phil, for the wonderful memories both on and off the job. My wife, Sandi, and I will never forget you. Your friends in Christ, Vinny and Sandi

To the family of Phil, please accept my deepest sympathies. Phil was one of the best. My husband began working for EMS in 1979 as a mechanic. We attended many EMS cookouts, Christmas parties and weddings over the years. Mike retired in 2000. The last time we had the pleasure of seeing Phil, we had stopped at a red light on Memphis Avenue. I glanced over to see a City of Cleveland EMS truck pull up in the next lane. As luck would have it - there he was with that big smile of his. I'll always remember how he threw the truck in park and ran around our car to give Mike and I a generous helping of hugs and kisses. We hadn't seen him in several years but it didn't matter. His warm personality and zest for life were contagious. It's an unbelievable loss and he will surely be missed by all. I worked with Phil numerous times while I was with EMS. Phil truly was a professional. I can honestly say that he never said a bad word about anyone and I am sure not a bad word was EVER spoken about him. The saying "he was probably one the nicest guys you would ever meet" is always mentioned when someone passes away but this time those words fit Phil to a tee. I can remember seeing him recently at Metro hospital with a less than "appreciative" patient and Phil still had a smile and positive attitude. HE WILL BE GREATLY MISSED. Our thoughts and prayers go out to his family and friends. GOD BLESS.

Phil was loved by everyone that knew him here at Cleveland EMS. Always a smile and a kind word, oh yeah, a hug and kiss too! He was a truly "good" person, and I am glad that our paths crossed. He was recently in recert class and I was his instructor for GEMS (Geriatric EMS). I have a sign on my wall behind my desk that he really liked, it reads like this: "Life should NOT be a journey to the grave with the intention of arriving safely in an attractive and well preserved body, but rather to skid in sideways, chocolate in one hand, beer in the other, body thoroughly used up, totally worn out and screaming, "WOO HOO what a ride"!!
