Dear Family: I was very distressed to hear of your loss. From what I have read about him he sounded like a kind and caring man losing him no doubt comes as a great loss to your family. You have my deepest sympathy. I also wanted to take this opportunity to give you a hope for your loved one and providing the comfort from the scriptures. Jesus said in John 11:25, "I am the resurrection and the life. He that exercises faith in me even though he dies will be brought to life." A resurrection to what you may ask? Psalms 37:11 states "the meek shall possess the earth and they will find their exquisite delight in the abundance of peace." So the resurrection is an earthly one. But with the conditions of the first paradise, Garden of Eden. Until this time, may these words comfort you and may the love of your family and friends comfort you in your hour of need. May God continue to watch over your family during this difficult time.
