To the Doyle family, My thoughts and prayers are with your family during this very difficult time. It's not easy for many of us to deal with the loss of someone near to us and hope all of your memories will make it easier. I'll remember his fiesty ways and when he would come to the softball games. When I saw him at the hospital before Christmas, despite being sick, he was in good spirits and still as fiesty as ever.....may God be with him as he rests in peace.
