To The entire Hall Family - God bless all of you as you go through this very very difficult time. One could never imagine the loss you are feeling unless they have been through it but we want you to know our hearts are with all of you. You all have a God based family and KNOW that once this life on earth is over for all of us - we will all meet again. This form we have been given by God to use as a temporary dwelling while here on earth was put here to praise and glorify His name and I know beyond the shadow of a doubt that is what Mrs. Hall has done throughout her life. She has gained many crowns and has been such a blessing to so many who knew her no matter what walk of life. She is now among the angels who walk among us right long side of Jesus and you will indeed feel her presense as you go through this time. Allow yourselves your time of grieving but also rejoice in the knowledge that you WILL all meet again one day - in His Kingdom - and be together forever. Lisa - we love you - our heart is there with you! Know your Mom is no longer suffering but praising God as all of us one day will be able to do - IN HIS PRESENSE. What a wonderful day that will be. Continual prayers are being said for all of you. God bless you. Love - Rob & Wendy Ligas

There aren't words that can express true sympathy, but know that you are in my thoughts and prayers. It seems as if this is the end of the world because a mother's love is like none other. In time, the pain you feel will be replaced by beautiful memories. Keep the faith and know that tonight, I will raise a glass of Pepsi (a childhood remembrance) to Aunt Edith's memory.

May you find the courage to face tomorrow in the love that surrounds you today. Although death leaves a heartache only God can heal, love leaves a memory no one can steal. Sending our deepest sympathies to Uncle Glenn, Lisa, Anita and Chris and the grandchildren during this most difficult time. May God wrap you in His love and provide you with comfort.
