Dad, I miss you sooo very much...You were not just my dad, but my great friend. You and mom were there for me when no one else was...It's because of you that I made it through some extremely hard times, and I wish so much that I could have kept you with me. No one can ever take your place...no one will ever be like you. I love you...I pray that you could somehow send me a sign that that your soul is in heaven, and that your presence is still with me. I love you always...and I thank you for all that you have given me. There is so much I would like to say to you...so much that was left unsaid. Your loving daughter, Jo Ann
