Dawn, you were a baby when we last saw your mother. I am one of the gang that danced at the Aragon Ballroom. Her very best friend, Ann Kozak, (my cousin) known as Beep died in 1976. She had just received a lovely letter from your mother but Beep died suddenly before answering. Lois, the redhead, your mother's neighbor growing up also sends her condolences. She is almost blind. Always wondered how your mother was getting along because she had a health problem due to some surgery many years ago. Sorry to see of her passing.
