Dear family and friends, Some of you may or may not remember me I am Leeanne's oldest daughter, and one of Emory's great-grandchildren. I send my condolences to everyone. I want to say that Friday when you go to the services to please not grieve over my great-grandfather's grave. He would not want that. He would want you to remember all the good times you had with him and hold on to those memories forever. Also remember that everyone knows exactly where he is and he lived his whole life serving nothing but the Lord. Also know that he is no longer in pain and can live his second life in no missionary.
