It has been nearly 40 years since I last saw Julie and yet it seems as only yesterday. The ones we love just don't stay around as long as we would like. I first met Julie back in 1967 a few weeks after I graduated from High School. The world has changed a lot since then, but I will always remember the long and interesting conversations we had way back when. I only wish I had been able to talk to her more. I will miss her and may you all be in each others prayers as you are in mine. Julie was a truly great lady who will be missed by all.

Sandi and family, I will miss Julie. You are all in my prayers. My deepest condolences for your loss. One thing about Julie is that she could make you laugh. She was a dear friend to me, giving me a place to stay when I was without a home. Her and I traveled together to Oregon to see Whitey's mom on her 102nd birthday. I will never forget my trip to see you all for Christmas. I had a wonderful time. I would love to come but I just can't afford it right now.
