“ When dad came to Minnesota for the summer we heard “ my Bonnie lies over the ocean,my Bonnie lies over the seas...”dad says “ he all these years I thought they said my body lies over the ocean....” Dad was quirky and always had something hilarious to do it say.

Dad loved his dog , late night ice cream and the newest promo sandwich at the local restaurants, (stubborn for snacks) loved sitting on his porch watching the cars go by, he was an avid fan of John Wayne( LOVED JOHN WAYNE!) Even though dad had a shy streak, he loved to socialize. Dad and his brothers and sister Myrt together would enjoy monthly lunch or dinner dates that he looked forward too. Dad will truly be missed. Even though he passed in December. It seems like he was just here and I can still remember his advise and hear his voice. Hug mom! Love you always!
